

Childcare Immunization Exemption Form

Vermont Child Care Licensing Regulations apply to any child in attendance at a licensed or registered child care program. Before entry into child care, children must have a record of their immunizations on file, unless exempt for medical, religious, or moral (philosophic) reasons. In order to claim an exemption, this form needs to be completed, signed and returned to your childcare provider.

Please note that children with an immunization exemption may be excluded from child care during the course of a disease outbreak. This is because unimmunized children are at higher risk for getting that disease and in-turn transmitting it to other children. The length of time your child is out of childcare will vary depending on the type of disease and the circumstances surrounding the outbreak. This may be from as little as several days to over a month.
